

EQUIPMENT & SYSTEMS FOR INDUSTRY inc.

****Hammer Rebuild Winter Special****

**We do it faster, cheaper and better than
any other rebuild center in New
England, guaranteed!!**

**Beginning
December 1st**

**Ending
February 28th**

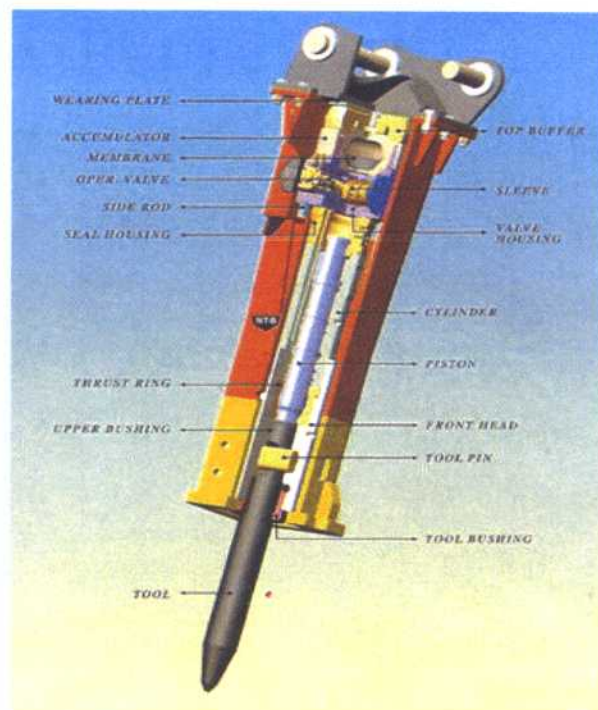

ESI

**will "DISCOUNT" its in-shop rate
for this program to \$75.00 per
hour AND offer a 10%
REDUCTION ON ALL
REPLACEMENT PARTS**

"CALL TODAY"

ESI skilled service technicians will tear your hammer down, fully inspect it and repair and/or rebuild the hammer back to optimum performance standards.

We assure prompt service and therefore we must limit this special to the first 100 hammers scheduled. Call immediately to reserve your rebuild slot and before we are completely booked.

All hammer makes & models apply

BTI/TELEDYNE · ALLIED · NPK · RAMMER · INDECO · KENT · TRAMAC · STANLEY

"Rebuild your hammer now rather than risk it going down next season"

"Authorized dealer for BTI—Breaker Technologies"
